Hi Henry.

Got your note. Will do?

Did you see my email to you re: institutional realignment?

Sincerely,

Acting Administrator Wheeler and I have asked the Office of Policy to engage their Office of Federal Activities to lead in the coordination of the Limetree matter. The Director, Rob Tomiak, has agreed to serve as EPA's project manager who will be the primary point of contact for Limetree in helping to connect them with the federal programs and offices they must involve to resume operations. Please inform your team to fully cooperate with Rob in these efforts.

If you have any questions, please let me know.

Thank you.
